We'll be open May 30th Memorial Day

Hello again Fiber Friends,

First of all we would like to thank all who attended for making our “Grand Opening” more successful than we could have ever imagined. Your presence and support were overwhelming. It was a wonderful feeling for our shop to be filled with the energy of so many people connected by the love of handwork and its creative, fulfilling and therapeutic expression. Sometime in the afternoon I found a moment to catch my breath and looked up to see a warm glow coming from our little sit and knit area. I was filled with joy to see women knitting and chatting and having a great time. At that moment I realized our dream was coming true.

Our profound appreciation and thanks,
Babetta, Maya, and Family

Summer vacation is just around the corner. My 4th child Rachel is graduating from high school. Only one homeschooler left, 11 year old Aaron. Even when you don't have kids in school summer represents a time to shake up routines a little and try some new things. We've expanded our class offerings for those of you that might have a little more time during the day and including a children's class on Weds. Watch for project workshops during the next couple of months and weaving classes starting in July.

Let us help you pick out a summer yarn from our large assortment of cottons and blends. Bamboo and soysilk are great summer fibers too with free patterns available with purchase of yarn.

Torn between reading and knitting? You can enjoy a good book and knit or crochet at the same time. Babetta's is now carrying books on CD and tape.
