## *Happy Spring Fiber Friends,*

I hope the beauty in the new growth and colors of spring in California are helping lift your spirits. If you ever need a pick me-up you're always welcome to stop by just to wander the isles and find a little serenity away from it all. No matter how tired I am when I arrive at our shop every morning I am soon revitalized by the splendor I find in the fibers that surround me. It's like living in a flower garden.
